Your workouts are named in your channel based on their Focus - Strength, Cardio , Core or Full Body. (see your Workout Guide). This plan is designed to explain which FOCUS to do during the week based on how many times a week you do my workouts. Formats can vary based on what you would like to do that day. It is always recommended to get at least 30 minutes of exercise each day so be sure to get your extra cardiovascular exercise through the week. Walking, biking, swimming etc.
